Marine Wildlife around our shores

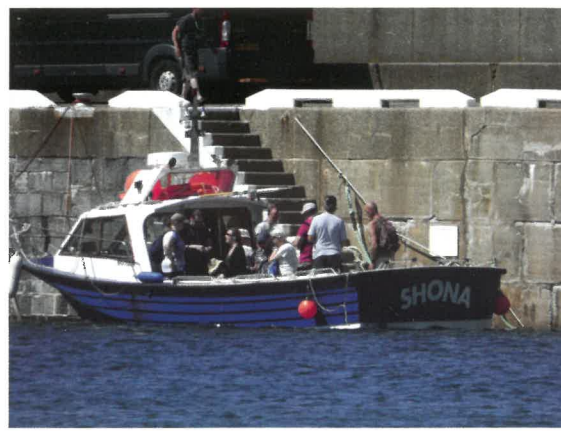

BASKING SHARKS
SEALS
DOLPHINS
WHALES
PORPOISES

The waters around the South of the Island are a mecca for wildlife and all our trips have the potential to observe marine wildlife at its best.

Basking sharks visit this area as well as other marine mammals including Dolphins, Porpoises and Whales. The Calf of Man is a bird sanctuary and as such, large numbers of birds nest and fledge there. Grey and Common seals breed here and are a regular sight.

We are WiSe accredited and operate within their code of conduct and stay within their guidelines.
